Subject: Conference Call Thursday, April 6 at 3:00 PM to Discuss No Bid Submission

We are arranging for a conference call this Thursday, April 6 at 3:00 PM with the Dispatchable Loads.

The purpose of the call is to discuss changes to the proposed (draft) IESO_IMDC_0097 "Non-Dispatchable Load (NDL) Status Through No Bid Submission", and to get your feedback to these changes . Our hope is to gain a consensus for implementation. Please read the following prior to the meeting:
