

12X Ramp Rate Alternatives: Implementation Considerations

Market Pricing Working Group
April 7th, 2006

Work required after Board approval of concept:

Change Ramp Rate

- No rule amendment required
- Simple parameter change in IESO IT systems

APP_rO

- Stakeholdering of implementation and design details
 - Determination of fee schedule for ramping
- Rule amendment process
- Some change to IESO IT Systems
 - Changes to settlement systems
 - No changes to DSO

AMPCO

- Stakeholdering of implementation and design details
 - Ramp price, Base Price
 - Interaction with CMSC
- Rule amendment process
- Relatively major IESO IT changes
 - Changes to settlement systems
 - Changes to DSO

MIO

- Significant Stakeholdering of implementation and design details
 - Price calculation method (HSP, Incremental, Modified)
 - Production Cost Guarantee (PCG), if needed
- Rule amendment process
- Relatively major IESO IT changes
 - Changes to DSO
 - Changes to settlement systems (for PCG)

Implementation Time Estimates
