Below, for your review and consideration, are the proposed dates for Market Pricing Working Group meetings in 2007. The proposed dates were developed on the following bases:

- The meetings shall continue to be on Fridays;
- The first meeting of the year should be in late January to accommodate vacations over the Christmas and New Year season;
- Other meetings should be on the first or second Friday of each month;
- Meetings should not be on the same day as other stakeholder or IESO Board meetings; and
- Meetings should not be scheduled on a Friday before holiday long weekends.
