Re: Proposed Schedule of MPWG Meetings for 2008

Below is a proposed schedule of MPWG meetings for 2008. This proposed schedule was developed on the following basis:

- MPWG meetings should occur on the day before or the day after the meeting of the Stakeholder Advisory Committee, to minimize travel for people attending both meetings;
- MPWG meetings should not occur on Fridays, Mondays or the day before or day after a long weekend or holiday, so as to avoid travel on those busy travel days;
- MPWG meetings should not occur in mid-March, to avoid the school March break holidays.

Stakeholder Advisory Committee Meeting Date	Proposed Market Pricing Working Group Meeting Date
February 6	February 7
	March 6
April 9	April 10
	May 8
June 4	June 5
	July 24
August 20	August 21
	September 25
October 30	October 29
December 3	December 4

Please review the proposed schedule and identify any significant conflicts e.g. industry conferences or meetings. Please bring your calendars to the MPWG meeting scheduled for October 29, 2007, so that we can finalize the 2008 meeting schedule at that meeting.

Yours truly,

John MacKenzie
