Subject: Request to confirm attendance for May 13th - WPSC meeting

Hello All,

The IESO's Wind Power Standing Committee (WPSC) meeting is scheduled to be held on **May 13th, 2010** (8:30 a.m. to 12 noon). SE-57 (Embedded and Renewable Generation) members are also welcome to attend WPSC meeting to hear about any items of interest to them.

The prospective agenda includes: IESO performance requirements for wind generators, updates on Ontario's renewable energy/feed-in-tariff program, status update on SE-57 initiatives, and an overview of NERC Integration of Variable Generation Task Force (IVGTF-phase II) activities. More specific agenda and meeting location will be communicated to you in the coming days.

In the meantime, we request you to confirm your attendance in May 13th WPSC meeting, by replying to the following email: stakeholder.engagement@ieso.ca

For any questions or concerns, please contact stakeholder.engagement@ieso.ca

Thank you.
